All persons invited to be present at the Ceremony in the Hall are expected to be there not later than 11 o'clock.

The company attending the Prince will either stand near the dais, or take their places in the recesses on either side, space in which will be reserved for them.

#### THE ADDRESS FROM THE CORPORATION.

The Mayor, accompanied by the Town Clerk, will approach the foot of the dais and the Town Clerk will read the address to His Royal Highness which will be handed by the Mayor to the Prince, who will then reply.

After the presentation of the address, the following Ode, written by Mr. Walter Maynard, the music by Dr. Spark, will be sung by Mr. Archibald Ramsden, the chorus by the Leeds Madrigal and Motet Society :—

Far o'er the land of moor and fell,  
Let a glad welcome loudly swell  
To greet the Prince who hither comes  
To smile upon us in our homes.  
All ye who labour, leave awhile  
The loom and anvil, woof and file,  
And form a loyal and sturdy throng,  
Joining with heart and soul the song,—  
God bless the Prince, through every scene,  
Long live the Prince, God save the Queen !

Ye who are dwellers in the North,  
Prove now your love and pour it forth ;  
Welcome this son of England's throne,  
Receive and prize him as your own.  
Women your brightest looks display,  
Children strew garlands in his way ;  
Men, women, children, in a throng,  
Join each with heart and soul the song,—  
God bless the Prince, through every scene,  
Long live the Prince, God save the Queen !
